## PROVIDING FOR CERTAIN INVESTIGATION OF GASOLINE TAX REVENUE FUNDS

Mr. Alsop offered the following resolution:

H. S. R. No. 300, Providing for certain investigation of gasoline tax refunds.

Whereas, A constantly growing deficit in the General Revenue Fund and persistent demands upon the State government for additional services have rendered the fiscal condition of the State of Texas of paramount importance to the Forty-sixth Legisla-

ture and to all thoughtful citizens of this State; and

Whereas, The revenues derived from the present tax levies are greatly reduced as a result of widespread evasions and delinquencies which place an unreasonable and inequitable burden upon those taxpayers who comply with the revenue laws of the State; and

Whereas, The administrative officers charged with the collection of present levies have vigorously sought to eliminate such evasions and delinquencies but have found the machinery provided by present law hopelessly impracticable and inefficient; and

Whereas, The most recent report of the Comptroller of Public Accounts reveals that the revenues derived from the gasoline tax are being constantly threatened by tremendous increases in tax refunds being granted under such tax without effective means provided by law to assure that such refunds are legitimate and proper; and

Whereas, Such gasoline tax refunds during the last fiscal year amounted to approximately \$7,000,000.00 which was paid on more than 187,000 refund claims, and which refunds have increased in the last four years more than 100 per cent, until during the year 1938 such refunds granted amounted to almost 14 per cent of the total gasoline tax collected by the State, all to the injury of the Available School Fund, the Highway Fund and to all taxpayers complying with the Motor Fuel Tax; and

Whereas, Similar evasions are occurring throughout the field of production, gross receipt and occupation taxes which, by exhaustive study and research and amendments to present tax statutes can be eliminated or greatly minimized and the revenues from present levies increased Millions of Dollars without additional tax burdens being placed upon those business interests not now guilty of such tax evasions and delinquencies; now, therefore, be it

Resolved by the House of Representatives of the Forty-sixth Legislature of the State of Texas:

Section 1. That the Speaker of the House of Representatives be, and he is hereby, authorized and directed to appoint a committee of three Members of the House of Representatives to make a detail examination of all revenue statutes of this State and an

exhaustive study and research of the operation of such statutes with particular attention to the enforcement and collection provisions thereof to the end that legislation may be recommended by such committee for the purpose of eliminating or minimizing evasions, discriminations and delinquencies which are rendering present tax levies ineffective, harsh and inequitable, and any and all other matters pertaining to or affecting the revenue of the State government.

Section 2. That such committee shall sit at such times and places as may to said committee seem necessary and proper; that said committee shall have the power to formulate its own rules of procedure and evidence, and to provide for its own hours of meeting and adjourning. Sessions of said committee shall be open to the public and to the press of the State. The chairman of said committee shall be elected by a majority vote of the members of said committee and the committee shall appoint such assistants as to it seem necessary.

Section 3. That the committee shall have power to issue process for witnesses to any place in this State, and to compel their attendance, and the production of all books and records, and upon disobedience of any subpoena the said committee shall have power to issue attachments which may be addressed to and served by either the sergeant-at-arms appointed by said committee or any sheriff or constable of this State. Said committee shall have power to inspect and make copies of any books, records or files of any department of the State government and of any county or political subdivision of the State, and shall also have power to examine and audit the books of any persons, firm or corporation in so far as the same are pertinent to the enforcement of the revenue laws of this State. The committee shall have power to administer oaths and affirmations and fix the bonds of attached witnesses; and the committee shall further have all powers necessary in order to accomplish the purposes for which it is appointed. A majority of the committee shall constitute a quorum for all purposes. Said committee shall be authorized to pay the actual, necessary and reasonable expenses of witnesses brought before the committee.

Section 4. That said committee may

call upon the Attorney General's Department, Auditing Department and all other departments for assistance and advice and it shall be the duty of the Attorney General's Department to render opinions, give counsel and assistance to said committee upon request of the chairman or members of said committee.

Section 5. The compensation and expenses herein provided for incident to the work of such committee shall be paid out of the appropriation for mileage and per diem and contingent expenses of the Forty-sixth Legislature, upon sworn account of the persons entitled to such pay, when approved by the chairman of said committee, and One Thousand (\$1,000.00) Dollars is hereby appropriated out of the mileage and per diem and Contingent Fund of said Forty-sixth Legislature to meet the payment of the expenses herein authorized. The members of such committee shall serve without pay except that they shall be compensated for the actual and necessary expenses incurred in the work of such committee.

Section 6. Said committee shall make a written report of its findings and recommendations to the House of Representatives before the adjournment of the next session of the Forty-sixth Legislature, if any there be, and if not, such report shall be made to the Regular Session of the Forty-seventh Legislature. Such committee may include in its report its recommendation of any legislation that should be enacted or other action that should be taken.

The Speaker laid before the House, on its second reading and passage to engrossment,

H. B. No. 775, A bill to be entitled "An Act empowering the State Board of Education to adopt a multiple list of textbooks for the high school subjects now on the accredited list for which no textbooks are furnished; repealing all laws and parts of laws in conflict herewith, and declaring an emergency."

The bill was read second time.

Mr. Lock offered the following committee amendment to the bill:

Amend House Bill No. 775, by striking out all below the enacting clause, and inserting in lieu thereof, the following:

"Section 1. That Article 2843 of the Revised Civil Statutes of Texas of 1925 as amended, be amended as follows, and the same shall hereafter read:

"Article 2843. The State Board of Education authorized by this Act shall have authority to select and adopt a uniform system of textbooks to be used in the public free schools of Texas, and the books so selected and adopted shall be printed in the English language, and shall include and be limited to textbooks on the following subjects: spelling, reading, English language and grammar, geography, arithmetic, physiology-hygiene, civil government, history of the United States (in which the construction placed on the Federal Constitution by the fathers of the Confederacy shall be fairly represented), history of Texas, agriculture, a system of writing books, a system of drawing books, a series of graded music books for the elementary grades, and may also, if deemed necessary, adopt a book or books in science for the elementary grades, a geography of Texas, and a civil government of Texas; provided that a book or books may be adopted which combine two (2) or more subjects herein listed when the State course of study demands such a combination and no subject herein listed is thereby omitted; provided that none of said textbooks shall contain anything of a partisan or sectarian character, and that nothing in this Act shall be construed to prevent the teaching of German, Bohemian, Spanish, French, Latin, or Greek in any of the public schools.

"Said State Board of Education shall also adopt a multiple list of books for use in the high schools of the State, said multiple list including not fewer than three (3) nor more than five (5) textbooks on the following subjects: algebra, plane geometry, solid geometry, general science, biology, physics, chemistry, a one-year general history, ancient history, modern history, American history, Latin, Spanish, physical geogra-

phy, English composition, history of American literature, history of English literature, physiology, agriculture, and civil government and for each high school branch of study any textbook of said multiple list adopted for that subject may be selected for and used in any high school of the State as the textbook on such branch in that high school; and said State Board of Education shall adopt textbooks for high school subjects on a multiple list basis when two hundred (200) or more first-class high schools are affiliated in the subjects, and the State Board of Education may adopt free textbooks in a subject when less than two hundred (200) first-class high schools are affiliated in the subject when the total high school enrollment in schools affiliated in such subjects exceeds forty thousand (40,000) pupils. A book or books may be adopted for high schools which combine two (2) or more of the existing high school subjects provided no existing high school subject is omitted by such a combination. Once a selection is made by the local authorities from the multiple list adopted, such book shall be continued in that high school for the entire adoption period. Provided, however, that the multiple list herein provided for shall apply to all high schools classed by the Department of Education as high schools of the first class. For use in all other high schools a uniform system of textbooks on each subject mentioned above shall be selected by the State Board of Education, provided that in any city or independent school district having more than one high school of the first class said city or independent school district shall adopt from said multiple list for use of each in said high schools the same books and shall use said books so adopted for the length of the adoption period.

"Specific rules as to the manner of the selection of books by the high school shall be made by the State Board of Education.

"The State Board of Education, as herein provided for, shall adopt textbooks in accordance with the provisions of this Act for every public free school in this State and no public free school in this State shall use any textbook unless same has been previously adopted and approved by this State Board of Education; and the

State Board of Education shall prescribe rules under which all textbooks adopted and approved shall be introduced or used by or in the public schools of the State.

"In the event as many as three (3) suitable texts are not offered for adoption on any one subject, then the State Board of Education may select fewer than three texts.

"Existing contracts shall not be affected by any adoptions made under this Act."

Sec. 2. All laws and parts of laws in conflict herewith are hereby repealed.

Sec. 3. H. B. No. 927, A bill to be entitled "An Act authorizing the Commissioners' Court to levy a tax not to exceed ten cents (10c) on the One Hundred Dollar (\$100) valuation upon personal and/or real property for the purpose of paying for the immunization of school children and indigent people from communicable diseases; authorizing the Commissioners' Court to pay as much as one-half or any portion thereof as they may deem reasonable for the treatment of indigent people other than paupers; providing a savings clause, and declaring an emergency."

The bill was read second time.

Mr. Davis of Upshur offered the following amendment to the bill:

Amend House Bill No. 927, by substituting therefor, the following:

"H. B. No. 927

A BILL

To Be Entitled

An Act authorizing the Commissioners' Courts of certain counties to levy a tax not to exceed ten cents (10c) on the One Hundred Dollar (\$100) valuation upon personal and real property for the purpose of creating a county health unit and paying for medical supplies and services for the immunization of school children and indigent people from communicable diseases; authorizing the Commissioners' Court to pay as much as one-half or any portion thereof as they may deem reasonably necessary for the treatment of indigent people other than paupers; providing for the creation of a county health unit fund, and declaring an emergency.

Section 1. The Commissioners' Courts of each county of this State having a population of not less than 22,200 nor more than 22,500 according to the last preceding Federal Census are hereby authorized to levy a tax not to exceed ten cents (10c) on each Hundred Dollar (\$100) valuation upon personal or real property for the purpose of creating a county health unit and for the purpose of buying the necessary vaccines and to pay for the necessary medical services required for the immunization of school children and indigent people from communicable diseases and to pay as much as one-half or any portion thereof as they may deem reasonable and necessary for medical treatment and hospitalization of indigent people who are not paupers. Nothing herein shall be construed as being mandatory upon said Commissioners' Court and is hereby declared to be optional and within the discretion of the Commissioners' Courts of such counties.

Section 2. The Commissioners' Court of each county that creates a county health unit in accordance with the provisions of Section 1 hereof, shall create and set up a fund to be known as the County Health Unit Fund, in which is to be placed the proceeds of the tax provided for in Section 1 hereof, and from which shall

be drawn the funds necessary for the creation of the county health unit and for the purposes set out in Section 1 of this Act.

Section 3. The fact that Commissioners' Courts are not allowed to create county health units and are not allowed to pay for vaccines and bills and services herein mentioned under present laws, and the fact that authorization is desirable for the protection of all citizens of this State, create an emergency and an imperative public necessity that the Constitutional Rule requiring bills to be read on three several days in each House be suspended, and the same in hereby suspended, and this Act shall take effect and be in force from and after its passage, and it is so enacted."

A BILL

To Be Entitled

An Act declaring the legislative pol-  
icy; designating the waters of Caddo  
Lake in Marion and Harrison Coun-  
ties as a part of the public fresh  
waters of this State and suited for  
the preservation, protection and

propagation of game and fish; reg-  
ulating and restricting the operation  
and use of motor boats and water  
craft on said Caddo Lake; regulat-  
ing and prohibiting the use and  
discharge of firearms on said Caddo  
Lake; making it a misdemeanor and  
providing a penalty for a violation  
of certain provisions of the Act;  
providing certain exemptions from  
the provisions of the Act; prescrib-  
ing the powers and duties of peace  
officers and game wardens in the  
enforcement of the Act; limiting  
the provisions of the Act to Marion  
and Harrison Counties only, and  
fixing venue of prosecution under  
this Act in either of said Counties;  
providing a savings clause, and de-  
claring an emergency.

Be It Enacted by the Legislature of  
the State of Texas:

Section 1. Declaration of Legisla-  
tive Policy. The waters of Caddo  
Lake, in, upon or along the Counties  
of Marion and Harrison, are hereby  
declared to be a part of the public  
fresh waters of this State, suited and  
adapted to the preservation, protec-  
tion and propagation of game and  
fish, and this Act is to be construed  
as in aid of, and for the purpose of  
aiding in, such preservation, protec-  
tion and propagation of game and  
fish in this State.

Section 2. It shall be unlawful for  
any person to drive, operate, ride or  
be a passenger in any boat, vessel  
or water craft on said Caddo Lake  
while under the influence of intoxicat-  
ing liquor.

Section 3. It shall be unlawful for  
any person to drive or to operate any  
motor boat or self-propelled water  
craft of any kind upon said Caddo  
Lake, in a reckless or careless man-  
ner, or at a high and dangerous rate  
of speed. The term "reckless manner"  
shall, in addition to its ordinary sig-  
nificance and meaning, include the  
operation of a motor boat or other  
boats whether propelled by motor or  
hand or otherwise, so as to interfere  
with the free and proper use of the  
waters of said Caddo Lake by other  
water craft or so as to endanger the  
life or safety of any person in or upon  
said waters.

Section 4. It shall be unlawful for  
any person to shoot, fire, or discharge  
any pistol or rifle in, on, along or  
across said Caddo Lake.

Section 5. The provisions of Section 4 shall not apply to peace officers, game wardens, or representatives of the Game, Fish and Oyster Commission, in the lawful discharge of their official duties, nor shall same be construed to prevent a person hunting with a shot gun during any open season or when it is lawful to hunt in or upon said Caddo Lake.

Section 6. Any person violating any of the provisions of this Act shall be deemed guilty of a misdemeanor, and, upon conviction, shall be punished by a fine of not less than Ten (\$10.00) Dollars nor more than Two Hundred (\$200.00) Dollars.

Section 7. It shall be the duty of the game wardens and all peace officers to inspect boats or other water craft upon all the waters affected by this Act and to enforce the provisions of this Act; said game wardens and other peace officers may make such inspections without warrant, nor shall any warrant be required for the arrest of any person who violates any of the provisions of this Act, done in the presence of such officers or wardens.

Section 8. If any Section, Subsection or clause, phrase or sentence of this Act is for any reason held to be unconstitutional, such unconstitutionality shall have no effect on the validity of the remaining portions of this Act, and it is hereby declared that this Act shall nevertheless have been passed without such Section, Subsection, clause or phrase so declared unconstitutional.

Section 9. The provisions of this Act are expressly limited and applicable only to Marion and Harrison Counties, and the venue for prosecutions for the violation of any of the provisions hereof is fixed in said Counties, and prosecutions may be brought and maintained in either of said Counties without reference to county in which the offense was actually committed.

Section 10. The fact that there is now no law which covers the provisions of this Act creates an emergency and an imperative public necessity that the Constitutional Rule requiring bills to be read on three several days in each House be suspended, and same is hereby suspended, and this Act shall take effect and shall

be in force from and after its passage, and it is so enacted.

On motion of Mr. Wood, the Report was adopted by the following vote:
